Stamford Volunteer Fire Department STATEMENT OF POLICY

It is Stamford Volunteer Fire Department's policy to provide a safe and healthy environment for every member and to abide by the accident prevention regulations set forth by Federal, State and Local Governments. We are sincerely interested in the safety and welfare of our members and believe that accident prevention is essential in maintaining an efficient operation.

It is this organization's requirement that all safety rules be strictly observed at all times, although it is impossible to publish a rule to cover every circumstance. If a safety rule has been omitted or overlooked, it does not excuse carelessness or lack of common sense in the performance of job duties.

You are urged to cooperate fully. Abuse of, or a disregard for, rules is a violation of SVFD policy and will be treated accordingly. Your help in preventing accidents benefits not only yourself, but also your fellow member and the public, and we should all strive to make this organization accident free.
